SWIATOWICZ DENTAL ASSOCIATES, P.A.
FINANCIAL RESPONSIBILITY POLICY

For all patients it is necessary to have an easily understood financial responsibility policy whether or not there is dental insurance coverage involved. If there is dental insurance, as a result of the many different and confusing insurance company reimbursement policies it is important for patients to understand how Swiatowicz Dental Associates, P.A. will assist you with your insurance. All patients/responsible parties must sign this form prior to seeing the doctor.

- It is important for you to provide the office with complete insurance information for all carriers with whom you are insured at the time of service. **At each office visit** we need you to show us your insurance card to ensure that your current insurance information is on file.
- As a service to our patients, we will submit your insurance claim to your primary insurance company. Our office will provide the insurance company with all the information necessary to help you receive maximum benefit from your insurance company. However, it is the patient's responsibility to know the insurance coverage and benefits limit of their particular policy. Swiatowicz Dental Associates, P.A. is not responsible for whether or not a service performed is a covered benefit. **PLEASE BE AWARE MOST INSURANCE PLANS HAVE A MAXIMUM AMOUNT OF BENEFITS THAT THEY WILL PAY PER PLAN YEAR.**
- If a claim is denied, we will research why the rejection occurred and either resubmit to insurance or bill you the appropriate balance. If the claim is denied a second time, the appropriate balance immediately becomes the responsibility of the patient and should be paid to us directly. You may then contact your insurance company for reimbursement.
- If the patient has coverage with a second insurance company, we will submit all secondary claims directly to that insurance company along with a copy of the explanation of benefits from the primary insurance. As coordination of benefits is unpredictable, payment from the secondary insurance coverage may be paid directly to the patient.
- Insurance is a patient's benefit designed to assist the patient in their financial obligation to the office of Swiatowicz Dental Associates, P.A. The patient is the one receiving the dental service and therefore is ultimately responsible for all charges on the account regardless of any insurance coverage. This applies to everyone in the family who is treated in the office of Swiatowicz Dental Associates, P.A.
- At the time of service, the office will estimate the anticipated insurance payment and will collect the estimated balance due along with any deductible which applies. Swiatowicz Dental Associates, P.A. cannot guarantee any estimated coverage. After the primary insurance payment is received any related contractual adjustment will be applied and the patient will be billed for any difference between the estimated balance due and the actual balance due. If the insurance payment is greater than what was anticipated, we will either refund the amount to the patient or leave the credit balance on the patient's account to be applied toward future treatment.
- In the event that the patient does not have insurance coverage or the patient's insurance company sends the insurance payment directly to them, **CHARGES FOR SERVICES ARE DUE AND PAYABLE IN FULL AT THE TIME SERVICES ARE RENDERED**, unless a signed financial agreement has been approved.
- For your convenience, we accept cash, check, Visa, Mastercard and Discover. We also, offer a dental payment plan through Care Credit.
- Swiatowicz Dental Associates, P.A. requests 48 business hours' notice to change a scheduled appointment. Although, we realize unforeseen events sometimes require missing an appointment, without the appropriate notification in advance, you may be subject to being charged a missed appointment fee.

Insurance benefits are estimates only. I understand that I am responsible for any co-payments and deductibles, along with any procedures that my insurance company does not cover. I am also responsible any balance due because of insurance claims not paid within 60 days of service. I authorize the dentist to release any information, including diagnosis and records of treatment rendered to my family, or me during the period of such dental care to third party payers and/or health practitioners. I authorize and request my insurance company to pay directly to the dentist, insurance benefits otherwise payable to me. I understand that my dental insurance carrier may pay less than the actual bill for services. Swiatowicz Dental Associates, P.A. reserves the right to charge a monthly billing fee and to use a Collection Agency for the collection of an account and will charge that account any collection fees involved. I have read and understand the above and I agree to be responsible for payment of all services rendered and any billing/collection fees accumulated on my behalf or that of my dependents.
